If the card issued by the member of IBERCLEAR does not incorporate the "Distance Voting" section or if it is incomplete, the shareholder may use the model card available on the Company's website (www.repsol.com). That card, duly signed, must be sent to the Company together with the corresponding card issued by the member of IBERCLEAR, which must also contain signature of the voting shareholder.

Electronic vote

Shareholders may vote on the items on the Agenda for the Shareholders' Meeting through the Company's web site (www.repsol.com), entering the General Shareholders' Meeting 2022 page and following the procedure established there, provided the shareholder has an electronic DNI (national identity document) or a qualified electronic signature, based on a recognised, valid electronic certificate issued by *Entidad Pública de Certificación Española* (CERES), of *Fábrica Nacional de Moneda y Timbre*, and uses one of these means to identify himself.

Votes on resolutions related to the Agenda items may be cast from the moment of connection by shareholders (or proxies, as appropriate) until the Chairman or, as the case may be, the Secretary of the Meeting, announces the conclusion of voting on resolutions related to the Agenda items. With regard to the proposed resolutions concerning matters that, by legal mandate, are not required to appear on the Agenda, online attendees may cast their votes once the proposals are read in order that voting may proceed. 23. Which are the priority rules applicable to distance representation and voting?

Attendance physical or telematic to the General Shareholders' Meeting by a shareholder who has previously granted a proxy or voted through distance communication, by whatsoever means used, will render that distance proxy or vote void. The physical assistance shall render the telematic assistance ineffective.

If a shareholder validly issues both a distance vote and a proxy, the former will prevail. Likewise, the vote and proxy issued by electronic means shall prevail over those issued by postal mail or e-mail, respectively.

Electronic votes and proxies may be rendered void through express revocation by the shareholder through the same means.

If the Company receives two or more postal or e-mail votes from the same shareholder, the latest such vote received shall prevail. The same rule will be applicable if the Company receives by post or e-mail two or more proxies from the same shareholder.

Any of the joint holders of shares deposited may vote, grant proxies or attend and the rules of priority established in this section will be applicable between them. Pursuant to section 126 of the corporate Enterprises Act, the joint holder is presumed to be designated by the remaining joint holders to exercise their shareholders' rights every time he takes any action (proxy, voting or attendance, in person or distance).
