

# More information about Repsol YPF's performance

The company's initiatives during 2007 are described in different reports available either at [repsolypf.com](http://repsolypf.com) or through the publication request service:

- Annual Report 2007
- Corporate Responsibility Annual Report 2007
- Corporate Governance Annual Report 2007
- Fact Book 2007
- Shareholders magazine

The information at [repsolypf.com](http://repsolypf.com) completes and expands upon the information in this report. The Corporate Responsibility section contains further information on the issues and case studies.
